Professional Summary

I'm Sunand T, a MERN stack web developer skilled in MongoDB, Express.js, React.js, and Node.js. I build responsive, high-performance web applications with clean, maintainable code. Passionate about transforming ideas into seamless and impactful digital experiences.

Experience

Web Development Intern – Funk Craft Studio (2024)

• Developed responsive and interactive websites using HTML, CSS, and JavaScript.
• Used React.js for building dynamic, user-friendly UIs.
• Integrated RESTful APIs to enhance functionality.

Sales Executive & Social Media Publisher – Prince Motors TVS (3-month) (2025)

• Managed customer relations and boosted sales through effective communication.
• Published social media content to increase brand visibility and engagement.
• Coordinated promotional campaigns to drive local market reach.

MERN Stack Web Development Intern – DHA Academy (2025) (6-month)

• Built and optimized full-stack web apps using MongoDB, Express.js, React.js, and Node.js.
• Designed responsive front-end interfaces and integrated RESTful APIs.
• Assisted with database design, API creation, and backend logic implementation.
• Collaborated with senior developers using Git and agile workflows.

Technical Skills

Frontend: React.js, Redux Toolkit, Tailwind CSS, Bootstrap, Material UI, SCSS, Berry Dashboard UI, HTML, CSS, TypeScript, JavaScript
Backend: Node.js, Express.js
Databases: MongoDB, MySQL, Firebase, AWS
Version Control & Collaboration: Git, GitHub, Bitbucket
API Development & Testing: Postman, REST API Integrations

Core Skills

Communication Skills, Creativity, Group Discussion, Object-Oriented Design, Problem-Solving, Leadership, Web Technologies

PROJECT

Q roots international - https://www.qrootsinternational.com/
- The job counselling - based company handles both employers and candidates (students).
- Employers manage job postings and overseas study opportunities.
- Candidates (students) can apply for jobs and receive guidance and support.

Tricore Fitness Club - https://sunand2003.github.io/Tricore-Fitness-club/

- Designed a responsive multi-section layout optimized for all devices.
- Add engaging visual effects and better user experience.
- Designed and integrated a fully functional contact form to collect user inquiries and feedback.

Middle East Mariner - https://middleeastmariner.com/public/

- Designed and developed the Marine Spare Parts section of the Middle East Mariner website.
- Built visually appealing and fully responsive UI layouts for the **About** and **Testimonials** pages
- Integrated a WhatsApp contact/purchase feature to allow users to directly inquire or place orders for marine spare parts.
